

## Effect of a 10-unit increase in PM10 along lags

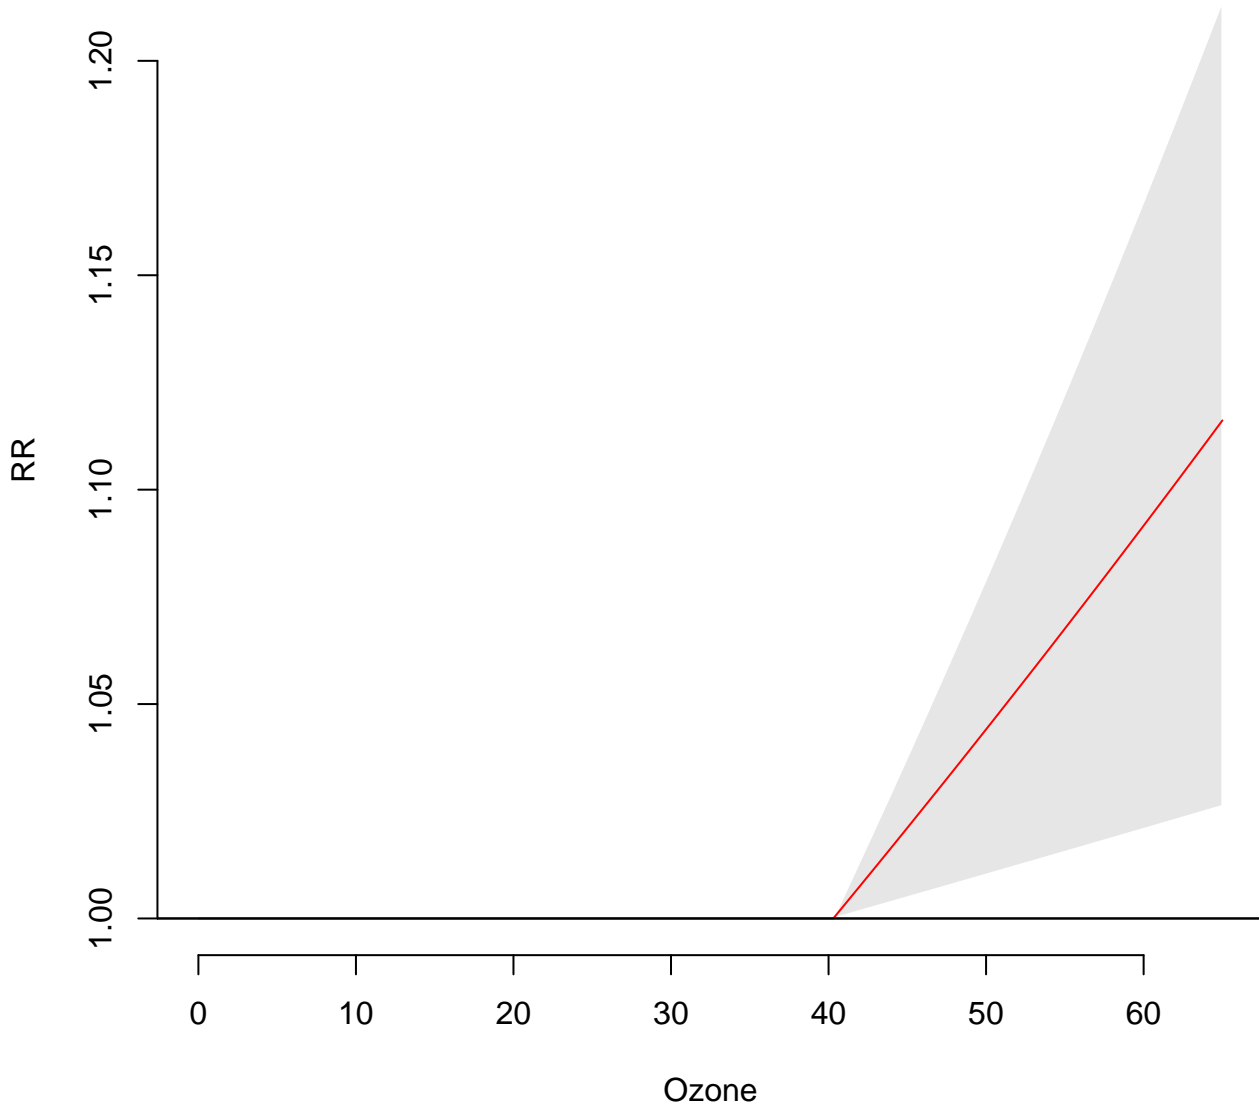

# Overall effect of PM10 over 15 days of lag

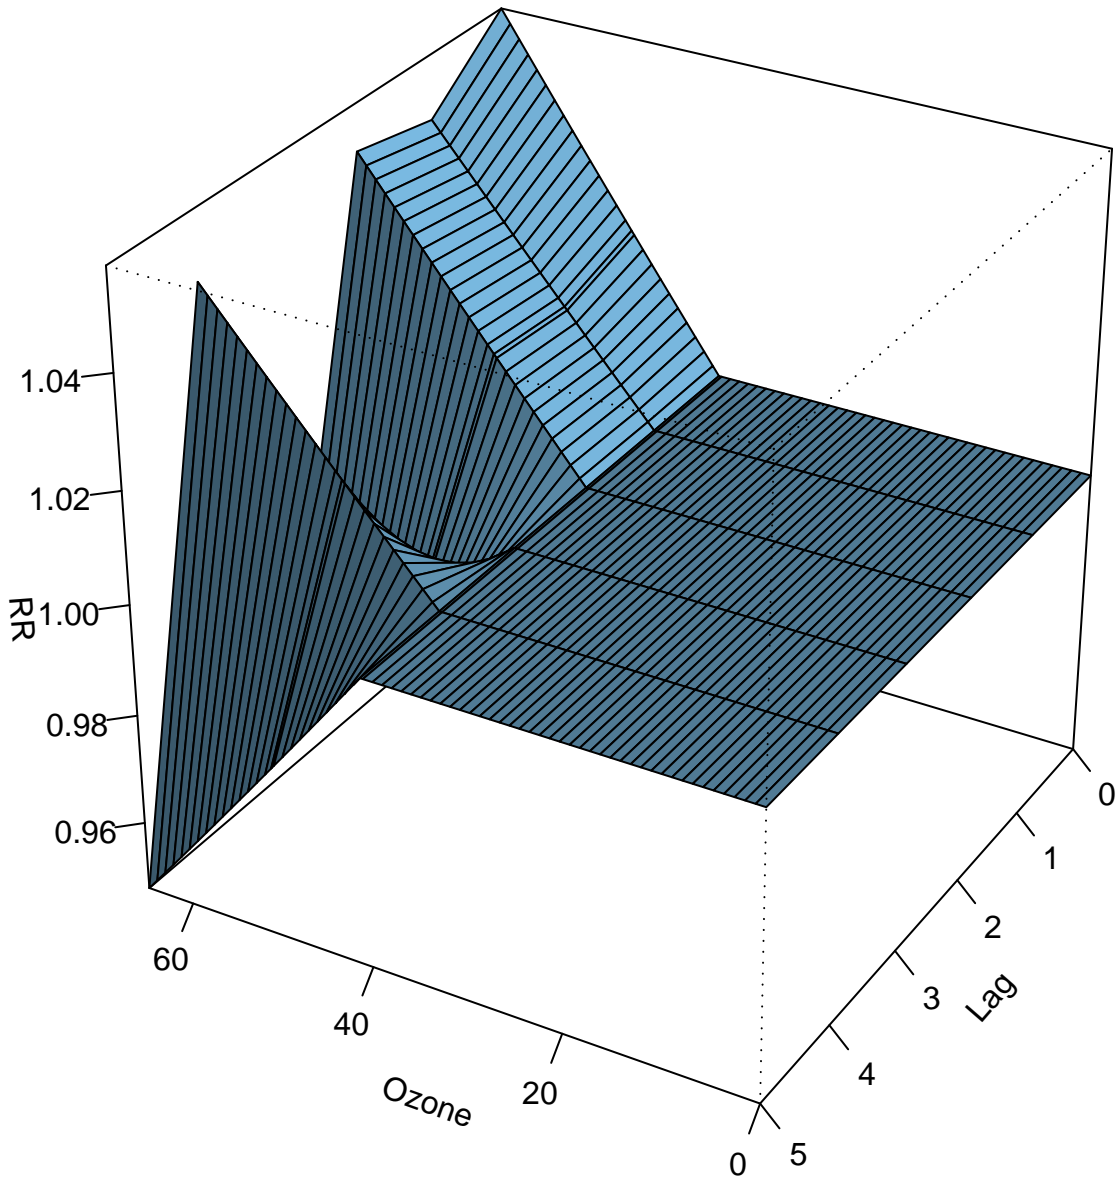

## Effect of a 10-unit increase in ozone along lags

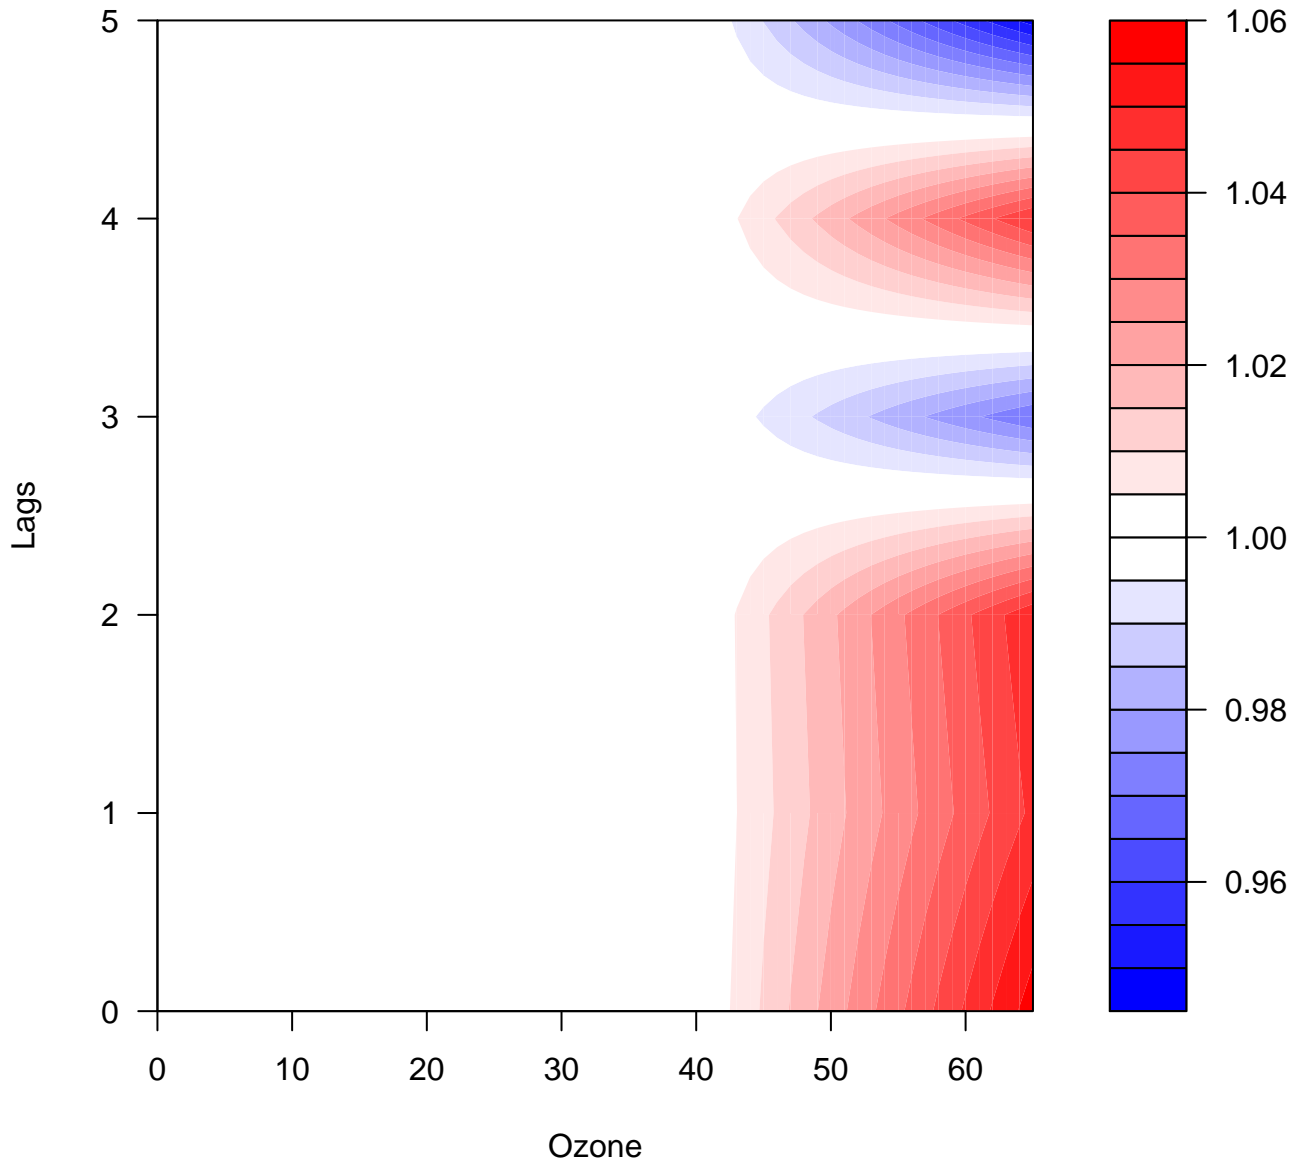

## Overall effect of ozone over 5 days of lag

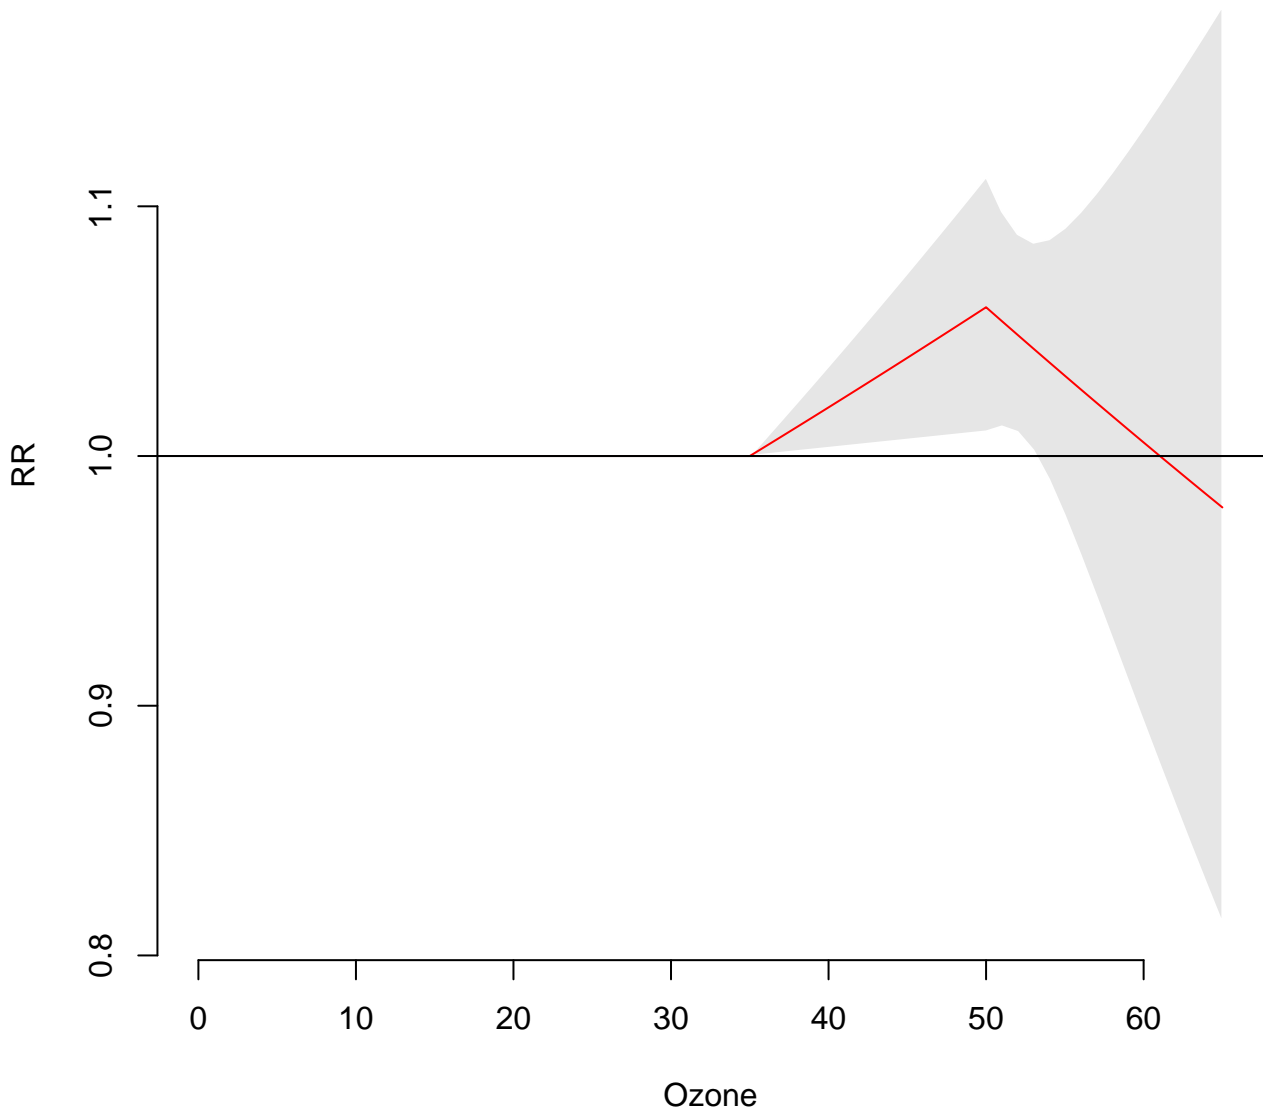

3D graph of ozone effect

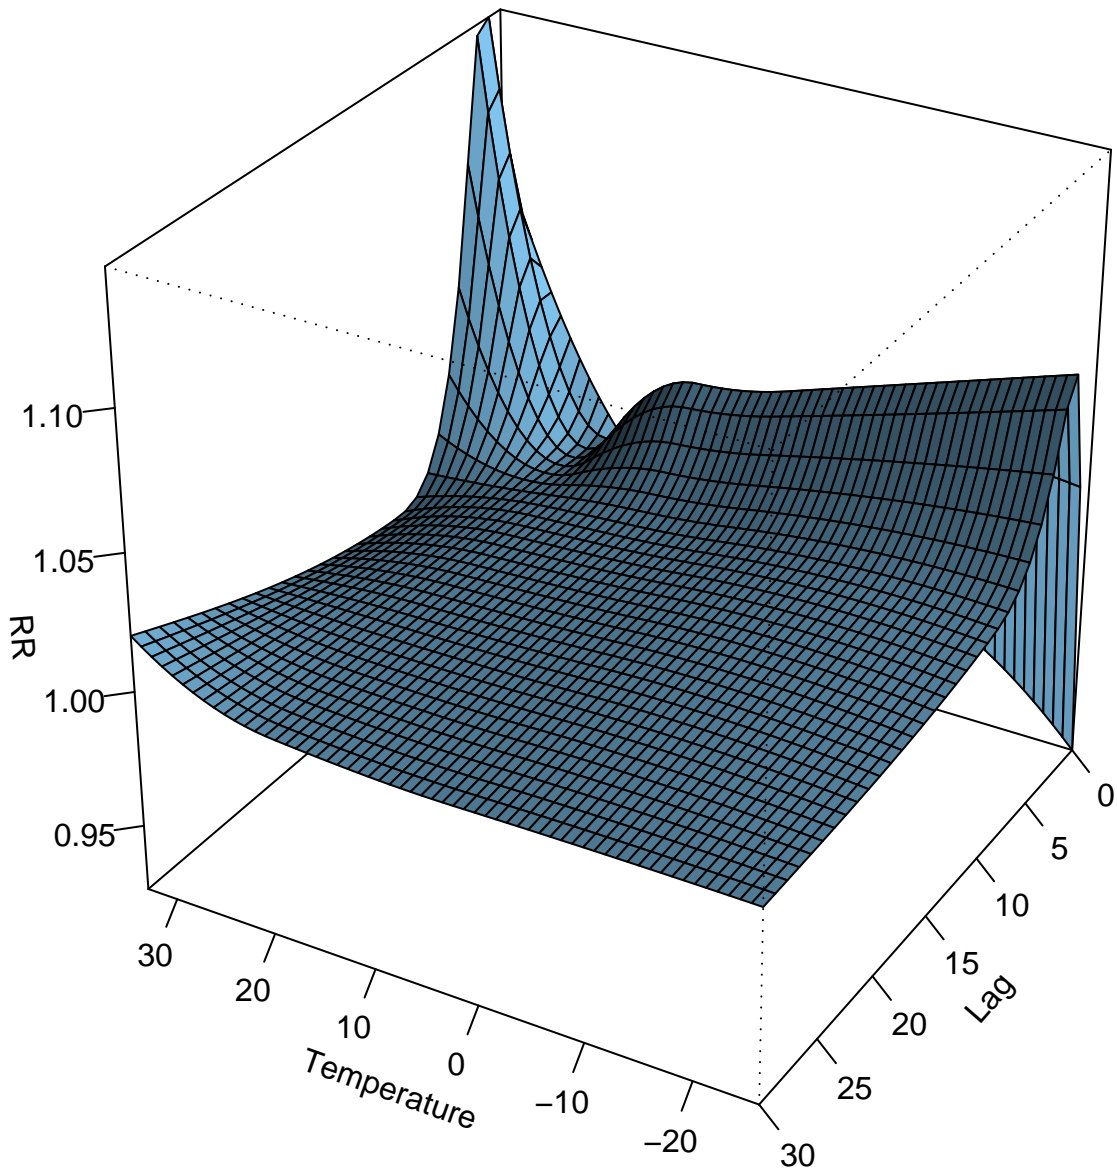

**Contour graph of ozone effect**

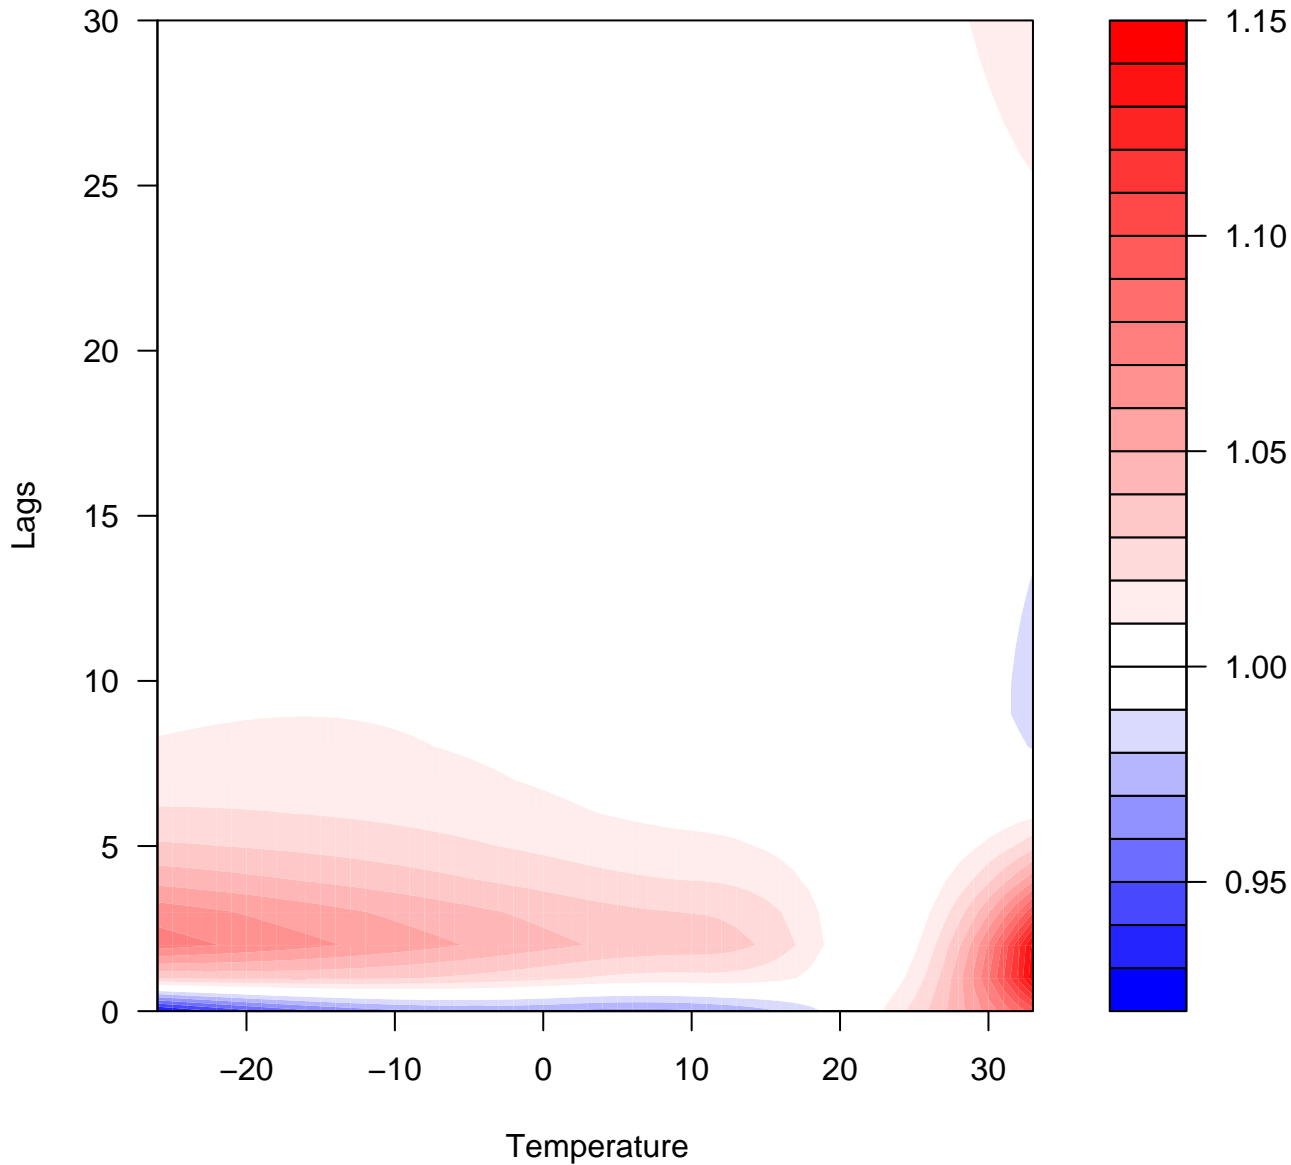

# Overall effect of ozone over 5 days of lag

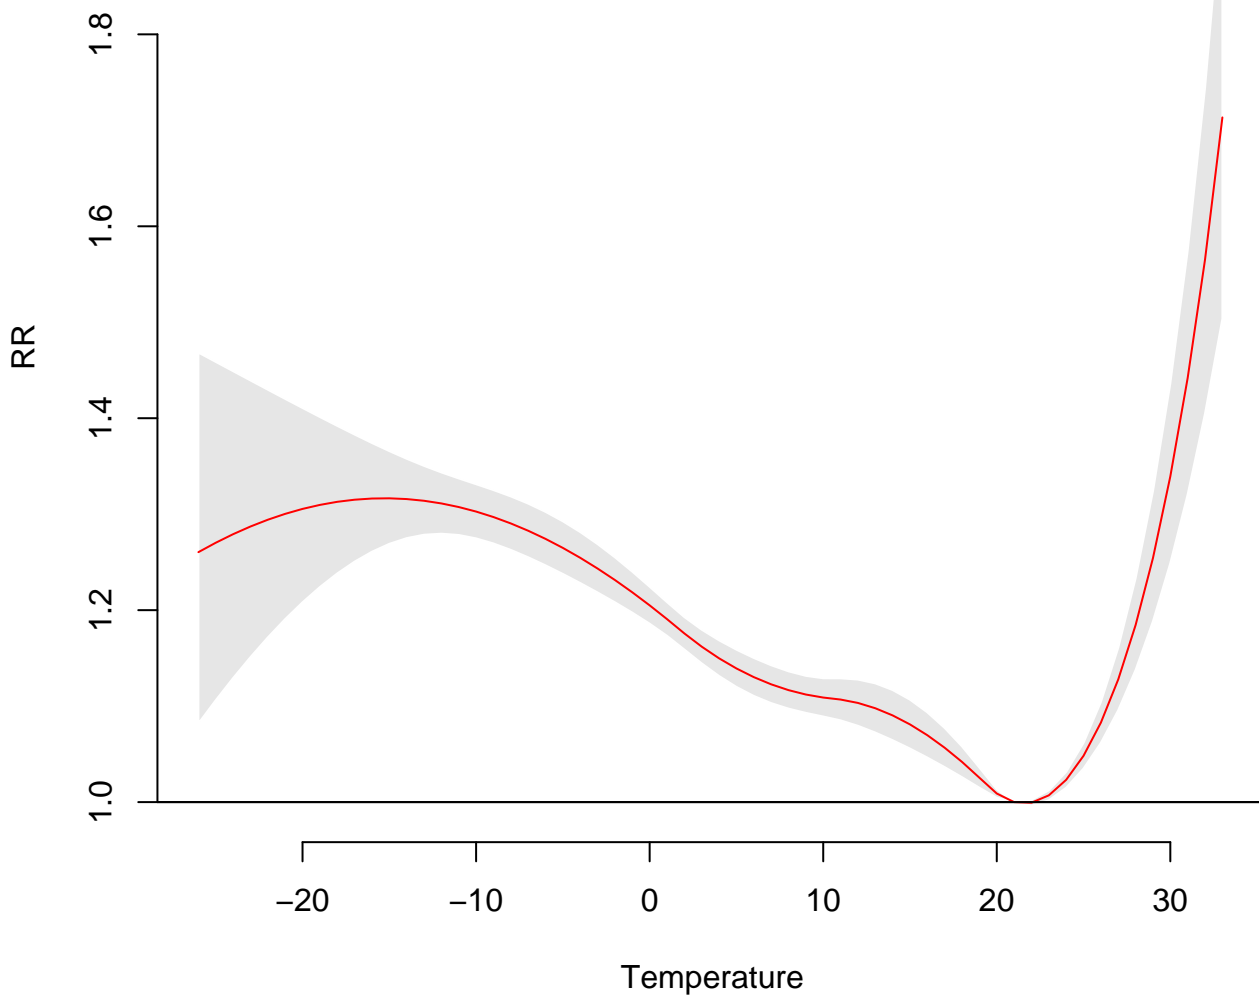

3D graph of temperature effect

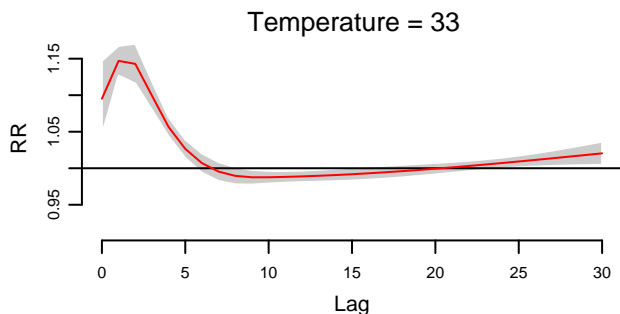

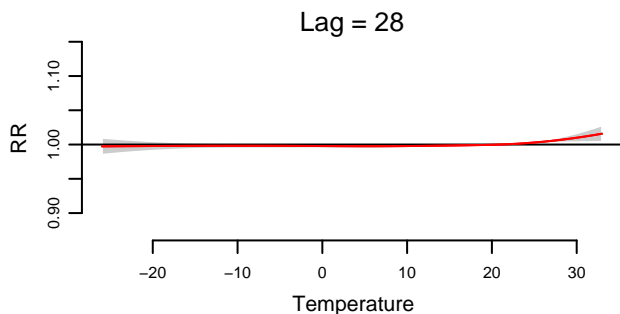

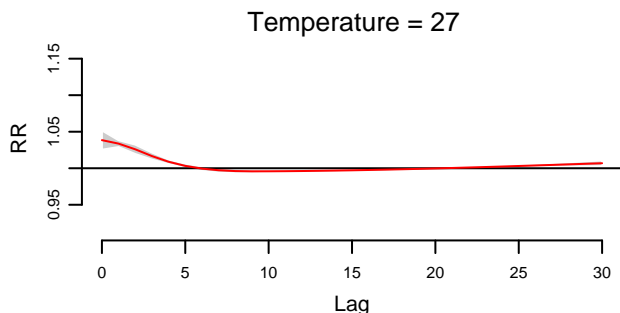

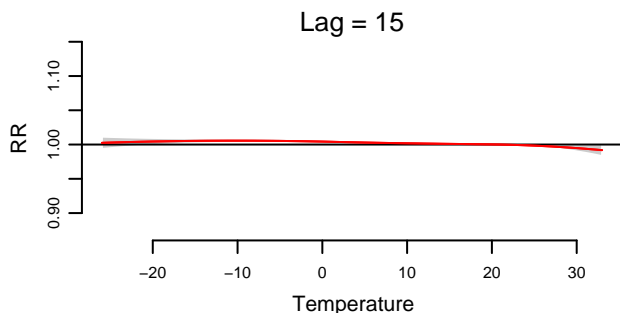

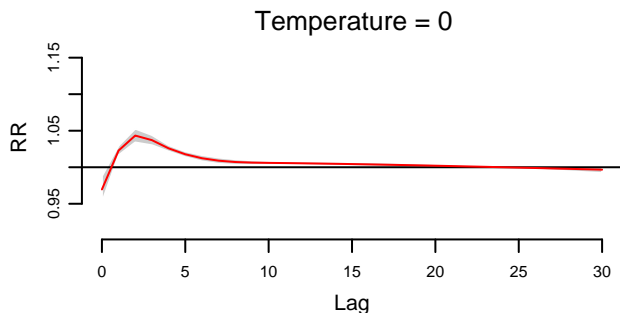

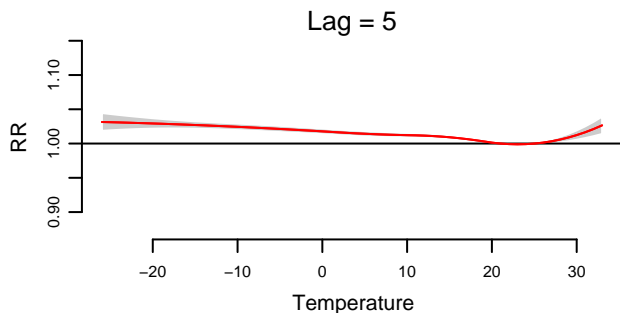

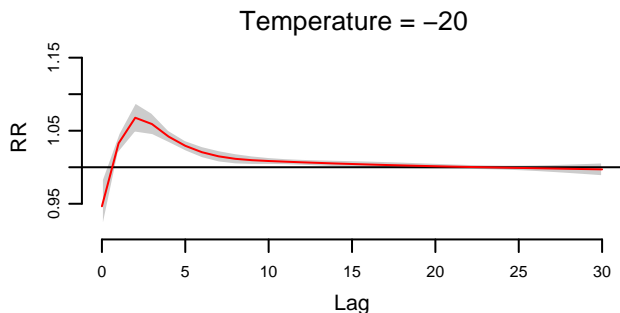

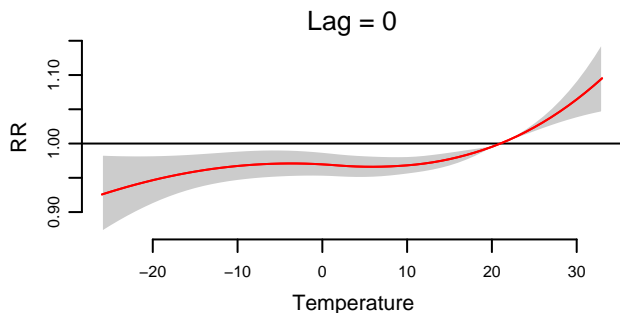

**Contour graph of temperature effect**

## Overall effect of temperature over 30 days of lag

# Cumulative effect for -20C along lag
